VALLEY GSF: Chad

Hello!

Wanted to check in at Area-via email-because our GSF has not had a representative to send to Area for some time.

We have not had a meeting since October of 2016. Mostly because of the holidays.

Since we last met, we have had a couple of members volunteer to do PI work in the Valley, and our H & I group that goes to Goose Creek has been making their regular meetings at that institution.

We are attempting to have another meeting this month--Feb 11th at 5:30 pm. Hopefully we will have a good turn out!

In loving service,
Crystal H

Victorious Qualifications for H&I

My clean date is 6/23/09. I have a home group, a sponsor, and sponsor other women. H&I has been a big part of my program since I was 90 days clean, serving on the detox panel at 12&12 Treatment Center in Tulsa, Ok which I had been to for treatment.

I have also served on other various panels in Oklahoma to include Rogers County Jail and TCBH. For the last several months I have had the gift of serving as the panel leader at Hiland Mountain Correctional Center and assisting Clithroe women's H&I panel when needed.

I have a passion for serving those in hospitals and institutions and would love to use my enthusiasm to serve as H&I subcommittee chair. My goal is to encourage increased area members participation. I would also use the community contacts that I have to help the H&I subcommittee **support the Anchorage Area, Groups, and Members, in their primary purpose through new panels.**

By helping with our basic situations and needs, and encouraging the growth of the fellowship through H&I within the Anchorage Area, we will further help the still suffering addict.

In loving service,
Victorious S.

Activities Report

My name is Jen and I'm an addict.

We were able to clear up the miscommunication after the Christmas Narathon clean-up. We had someone responsible donate \$60 and we were also able to locate the \$32 from 7th tradition still at the Alano Club. We donated \$50 in rent to Alano Club the last week of January for the Christmas Narathon. Please see the treasurer report for clarity.

I want to send out a really big thank you to the entire Area and groups for a successful 38th NA in AK Anniversary. Thank you to everyone who sold tickets, purchased tickets, our speakers, our auctioneer & cleantime countdown coordinators, our set-up crew, our cooks, our clean-up crew and everyone else I may have forgotten. Thanks to everyone that responded to the 911 call for cooks as well! A special thanks to members of the Activities Subcommittee- they rock! Here are the numbers: 964 yrs, 5 mths, and 4 days during the cleantime countdown, 138 in attendance, and 104 dinner tickets sold. The activities subcommittee is now able to make a \$1,465.34 donation to area leaving the remaining balance as "seed money" at \$750 per the guidelines.

February reported balance	\$ 750.00

With a lot of work effort recently and some of our members also participating on the convention committee, we are seeking additional membership on the subcommittee. Our next meeting is this coming Wednesday (2nd Wed of the month) at 7:00pm at Guidos. Please send a representative from your group! Due to the number of convention related activities and other activities in the area (like prom), I will propose at the next subcommittee meeting that our subcommittee not host any

additional events between now and Memorial Day. If you feel strongly we should do something else, please join the meeting or send a rep from your group!

The subcommittee Chair position should become open in April, with nominations accepted in March. I will not be able to continue to serve past. Almost all of the activities subcommittee members have multiple other service commitments, so please share with your groups that we need additional membership including potentially someone willing to chair the subcommittee. I'm including my phone number in the report in case anyone interested wishes to chat: 201-0166

In love and service,
Jen B.
