CHAIR: Hello my NA family. I really appreciate everyone's participation & excitement for service. There is nothing more meaningful than "the therapeutic value of one addict helping another addict." At the end of our area meeting, after we closed, we did an example of a zoom meeting. I have a request for all members, GSR's, committee chairs, sub committee chairs & participants. Please get the free zoom app & bring your phones to area & our meeting will be a zoom meeting on July 8. It's super easy to navigate & will be fun. We are hoping this will enhance more participation from the valley & other outlying places. If you have any questions about service, zoom, or anything else, please call me. Thank you for letting me be of service.

You'll find everything you need to participate in review and input (R&I) at www.na.org/spad --the Spiritual Principle a Day (SPAD) Book Project landing page, including:

- R&I drafts to download: 12 entries on each of four spiritual principles
 - o unity
 - o acceptance
 - o surrender
 - o love
- Two versions of a form you can use to submit your input
 - o An online version, which can be completed from any connected device (Please enter your input via this online form if you can ☐)
 - o A form that you can download and print
- Background on the project, information about how we used material from the Fellowship to develop these entries, and tools for creating more material

Your input will shape our revisions and provide direction for the remaining entries in the development pipeline. Together with the advance material that's being generated by NA communities around the world, your input will help us create a book that truly reflects our Fellowship-wide experience, strength, and hope.

Thanks, in advance, for participating in the R&I process. The deadline for input on this first batch of R&I is 1 September 2019.
