- What are the requirements for hosting this event?
- How would we raise the funds to host the event?

With reference to WYT hosting a Learning Day - we have a request, that someone fun, vibrant, and engaging be selected to present this event, as attendees will participate more readily, when the content is presented in a fun way.

Do any Groups require support? If so please let Wayne know so we can organize to caravan/carpool, and wear our Group T Shirts, as we feel this is our way to express unity within our Fellowship, and support less well attended Groups.
