So Fresh & So Clean

John B. was present, written report submitted as follows:

This past month has been nothing short of incredible. There are about 7 regularly attending home group members, and 3-4 more who have asked to join that we really hope can attend more regularly. We've had our first and second group conscience and both were very promising. We cleaned up our meeting format and are brainstorming a ton of ideas for switching it up to meeting to meeting. While there is a lot of creativity, everyone is on board with making sure to maintain our primary purpose, as well as making sure to maintain our primary purpose, as well as making our best effort to follow the traditions. As of yet, I am still taking care of most of the responsibilities of the secretary, the treasurer and the GSR. I brought up electing of service positions, and at the next group conscience, hope to fill those spots. I believe there are many great members capable of serving the group in this capacity. 8 newcomers identified themselves since last ASC, and I believe around 5-10 more have had a chance to hear the message of NA with them. Six took white keytags, and two people have picked up 30 days. We were able to purchase some literature, and also get up-to-date on rent. We're all totally stoked about carrying the message of NA and are looking for any guidance offered. Thank you for letting me be of service.
