Fixing to make another order so any groups that want specialty items should get their order in before Friday. The best way to put in an order is by texting me at 799-1690 and let me know which group it's for. I will put together orders, before Area and bring it to Area, or to your group whichever time allows. We are going through the literature and have had to make an order every month for the past three months in a row!!! Yeah!!
For PR, we do not have intro, Guide to Narcotics Anonymous on stock if your still interested in purchasing.
