Welcome Home

Katie S. was present written report is as follows;

Meeting is flourishing, for this month we moved rooms twice, now we have use of the main room downstairs and the nursery for kid's accompanying their parents. As long as there is a responsible party to tend children for obvious safety reasons. We have an average of 13 people attending each week, we are now out of meeting schedules and white key tags. We have four home group members but were unable to vote due to work schedules preventing attendance to the business meeting. Will try again the second Thursday in May. So as to be better prepared for next months area service meeting. Not able to make a donation to Area as a result. Our current balance is \$42.29. Rent is paid need to purchase Lit., coffee, and supplies as well as contribute a potion to the blowout.

ILS Kaydee S.

Administrative Reports

Chairperson(Vice Chair) - Matt S. was present written report was as follows;

Golden heart Area had a great month of March administratively. Public Relations enabled a broader base of recovering addicts carrying the message in facilities such as North star, we continue to ensure that FCC are afforded the opportunity of recovery, with our H&I efforts there. Activities committee once again provided our members a chance at area unity outside of meetings, with our outstanding dinner on St. Patrick's day. Thanks to all who provided food and dessert it was a great way to sum up another long day of world business. On that topic I hope all groups took advantage of the information provided to us by our Alt. Regional Delegate Doug P. by sharing that with home group members and casting votes needed to pass on to WSC. I experienced

a bit of concern this month regarding Subcommittee meetings. Our goal should be to promote as much involvement as possible. The best way for this to be a reality is by announcing when a committee will be held and maintain consistency with those meetings time and place, thanks for letting me serve.

ILS Matt S

RCM (Regional Committee Member) Tabby S. Was present written report was as follows; The next Regional meeting will be May, 22nd 2012, at Freedom Frog @ 6:30pm. Open/Vacant positions at regional level are, H&I chair and, Regional Vice chair. There is a nomination for Dave P. from Anchorage as Regional secretary. His qualifications are a clean date of 22-16-1997, actively working the steps with a sponsor, participates in home group activities. He is willing to give his all to the position, openminded to asking for help, take directions and apply the traditions of NA. Above all else he is willing to give back what was so freely given to him. His past service is a wide range of positions from keyholder to coffee maker and GSR, for several different NA groups in his area. Please also let me know if and when your groups complete the CAR votes.

ILS, Tabby S.

Activities committee; Dennard was present written report is as follows

ILS, Nancy B.

Public Relations - Anne H. Present, written report submitted:

Fcc and North star commitments are going well, Mark C is the Fcc male co-ordinader and Kayla L is doing the women's co-ordinader. Anne H is organizing the North Star commitments however this position is open Please announce this at your groups. Salcha health fair went well, we have the Fairbanks health fair on Sat. 4-28, please announce this at your meetings. I spent \$14 for copies of the meeting lists.

ILS, Anne H.

Sharing Session

Discussed the different options for the t-shirt logos , tank tops and hoodies were recommended, also was suggested to make different colored clothing to sell or use more than one logo to make more money off the NA clothing.

It was also discussed that the RCM ALT position is vacant and to announce this at your groups.

Old Business

Motion by So fresh and So Clean was voted on and all abstained. It was decided that the motion was confusing and needed more thought. It was proposed by the GSR to amend the motion, and present it to the group again.

New Business

Several motions were proposed by so fresh and so clean #1) That area donate 50% to region and 25% to World after the bills are paid.(any amount over the set prudent reserve) #2) That Area service for Fairbanks set the prudent reserve at \$330.00 enough to cover bills for 6 months.

Motion proposed by Clean and Serene to set prudent reserve for Area Service Fairbanks at \$400.00
