SHARING SESSION:

- **Rich C.** reports that all Litt. will be going up in price. Rich has the new price list, but he won't have another Litt. order until he gets back from Arizona. He also reports that due to traveling to Arizona he won't be at the next ASC. New order forms are on the table for GSR's to take back to groups or groups can get in touch with Rich to get a copy of the new Litt. forms.
- **Matt S. and Rich C.** pointed out to Josh S. that the bill for the PO box should be coming soon and that that bill will need to be paid. Also that the bill for the rent of the room at Mary Siah needs to be checked into, and that bill is usually paid either quarterly or every (6) months. Josh S. reported that he will stop when he leaves today and check into the Mary Siah bill. Rich C. reported that he would go by the PO box and check to see if that bill has come in yet.

SHARING SESSION Continued:

- **Matt S. and Rich C.** explained that the normal date for the Blow Out is the third weekend in July and why it is held that weekend.
- **Michael T.** requests support and help to have an ASC representative go into North Star Center GEO, due to the fact that no one has been doing that meeting and there are several addicts there that can't get out to a meeting. Since H & I is no longer working, due to lack of participation, this has become a problem. This issue will be addressed during new business.

Elections/Nominations:

- Olivia F. was nominated for the Chair position of ASC. She formally declines that nomination.
- Pat W. was nominated for the Secretary of ASC position. She formally accepts this nomination. Service resume to follow at end of ASC report. Pat W. also stipulated that prior to taking the position of Secretary to ASC she would require a copy of the Golden Heart Area Guidelines which should also include exactly what is required for the position of secretary.
- Elections & Nominations remain open for the following positions: Chair, Vice Chair, RCM, Secretary, Activities, and PR. Please Bring in nominations from your group.

OLD BUSINESS

- Tony was to go back to RSC, since Golden Heart ASC didn't get a chance to vote, for a vote on Kenai and Anchorage – consensus at the last ASC was that Fairbanks would like the next convention to be in Kenai.
- Also that Tony should take a motion to RSC that a rotation be developed which would be: Anchorage, Kenai, Anchorage, Fairbanks. If Anchorage gets it this next year for the convention it would be as above, if Kenai gets the convention next year then it would be Kenai, Anchorage, Fairbanks, Anchorage, etc.

NEW BUSINESS

- No new group motions at this time.
- It was discussed what should or could be done regarding the Meeting at North Star Center that we as a fellowship have committed to doing but have not been doing. Since we don't currently have an H & I subcommittee or even a PR subcommittee that is currently taking care of this issue Matt S. volunteered to temporarily attempt to make up a schedule and get some members going into North Star Center for the next few weeks to see where we stand. It was also discussed that if we don't have enough support from the members that we may have to cut back from the number of times that we go into the facility, or even inform the facility that we can no longer do that meeting right now because we don't have enough member to go into the facility. Matt requested that each GSR go back to their groups and see if they can get any one to agree to help with this meeting. To help support this we are asking that the members have at least 90 days clean and a valid ID. Also, you have to have been released from their program no less than 90 days, before you can go back into their facility. The meeting is on Saturday at 7:30pm. Contact Matt S. (907) 378-4837 if interested or know of any members that are interested.

REMINDERS

1. Go Back to groups and get volunteers to help with the meeting representation at North Star Center GEO. Contact Matt S. at (907) 378-4837 if interested or know of any one interested so that he can draw up a tentative schedule to bring meeting into North Star Center.
2. Bring back votes for Pat W. for secretary
3. Bring back any other nominations for open ASC positions

CLOSING

Motion to close unanimous! Closed with the Gratitude Prayer.
