Our current account balance is \$2,082.19. I ordered checks. I have not been to our P O box yet. Thank you for letting me serve

Our bank account balance is\$2,082.27. I deposited the \$104 cash that I still had from January donations to area. I ordered new checks as we only have a few. I have not checked the post office box. I wanted to bring up that the only signers on our area bank account are Anne, Maliah, and myself. To change that requires two signers I think. Just thought we might want to address that

sooner rather than waiting until the need is already here. Maybe we want to add the chair or literature positions as signers.

Josh S.

Chain report

I tried to make it to subgroup meetings but much luck w/ that this month. I have been in touch w/ PR about who's going in to the fair and what list to get. Life and work have kept me very busy this month, and work has chosen me to work remote this summer, so I am at my last Area meeting this summer. We have a vice chair and others will step up. Thanks for letting me serv. Robert Be

Literature Report

I am waiting on a box from world at the moment. We are out of basic texts as soon as I deliver Friday Night order. We are only 37.00 away from getting to make another order and I'm still waiting on the order I made over 3 weeks ago. I guess it can take world 6-9 business days to accept the order. Then they put it together. Once they ship it they send another e-mail to inform you it has shipped. At that point it can take another two weeks. Groups are getting literature. It seems that there are groups who order every week. This gets hard for me making deliveries. If your group is able to purchase all of your lit needs for the month that would make it easier. If not then I will make it work.
