Area Service Chairperson Report Good Day, Convention Committee a theme has been chosen and entries are being accepted for artwork. Committee Chairs and officers are needed and some have been chosen. Activities put on some successful events. I was able to attend the New Year's event which was excellent. H + I had a meeting which I was able to attend. Plans to go into the jail are in motion and already happening to some degree. There was some talk about the halfway house and there was some educational instruction. Ad Hoc committee has begun meeting to revise the guidelines to the most accurate form. PO Box advertisements, announcements from world, letter about payments from post office, and account balance from the bank found in box.

In Loving Service, Paul

The minutes for last month's ASC MTG are posted on akna.org. If the GSRS could email their group reports it would be **extremely** beneficial to the minutes.

Adhoc for Guidelines:

Adhoc committee meets every Friday at 7:30 pm before the executive group meeting at the upstairs of the university Presbyterian church of college road. this committee has already held two meetings and has gone through the first 13 guidelines for revision. we have corrected some spelling errors, made the language more congruent, have updated from twiggs to the local guide to area service and gotten rid of some sentences that we have found confusing or not applicable. I have been a little disappointed with the turn out for these meetings as there have only been three people each time. I take part responsibility for the poor attendance since there was not a permanent and set committee meeting location but now there is and it has been announced to the GSR's in area after this is read. GSR's please tell your groups of this committee and its time and location. I would also like to see NA members with more time and experience to show up to this committee to help revise the guidelines. Experience with NA language

and the application of the golder heart area guidelines would greatly help the revision and clarity of the guidelines themselves.
 In loving service Tim, B.

Pr Chair.

We have had one meeting. Monday night prior to meeting. there were 3 participants and two interested parties at the meeting one volunteer form filled out. there was discussion about more meetings and some outreach to villages, but in the end no one stepped up. i don't have time myself to cover more then I do now, meeting schedule in newspaper needs to be up, health fair coming in march, we need to start thinking about that. we have material from Dan W, and Rich C. was told that there was another box with Susan. The do's and dont's for volunteer work inside was gone over taken straight from the hand book. ILS Rob.
