Sharing Session

An addict asks the blow out chair when flyers will be out people outside of our area would like to know when and where it is.

Meeting lists were discussed. there was discussion on who should have the kinkos card. Anastasia said she had the willingness to do it. There was discussion on having a policy that we have a certain number of copies at each area

the literature chair said he would have 100 copies by next area.

Old Business

I

NONE

New Business

Outlaws would like to motion to bring the phone list back to area, intent is so local people can get ahead of local addict. it was seconded and passed

Possibilities of having a phone line committee were discussed

Motion to forward bill from health fair to region. Rationale, they footed bill for fair from anchorage it was seconded, and passed

the RCM will bring the bill to region

Blow out chair requests funds for the blow out, and will get \$1500 that was earmarked for the blowout.

Literature

Nothing new. The literature balance is 500.13 and I could not find a way to make a literature order in that 13-cent window in order to get the 16 percent off. I will keep trying unless someone orders literature and then an order can definitely be placed for that is over 500 dollars. PR owes literature 16 dollars for helping with literature for the health fair.

In fellowship, Tim B.

Treasurer

We receive total donations from groups of 126.33 and check number 2235 from Alaska regional committee in the amount of 49.91 to reimburse activities for the car workshop. Activities chair, Susan, stated she would like it to be left in the account. Paid literature 46.10 out of the donations. This was for PR literature. That made the deposit in the amount of 130.14 bringing the account balance to 2990.72. I am still asking for coins to be rolled up. The bank will not take them if they aren't in coin rolls. I have brought some with me if your group needs.

In loving service,
Nancy B

🌀 Area Service Chairperson Report 🌀

Area Service Chairperson Report 051216

Good Day,

I was able to attend the Convention Committee meeting this month. Committee chairs and other positions are nicely filled. There was an extremely successful fundraising event since our last area service meeting. The logo is nearly digitized and good progress is being made overall. The treasurer has agreed to check the mail box tomorrow.

More activities and fundraising events are planned for this month and beyond.
The vice chairperson position is still open.
In Loving Service,
Paul

The minutes for last month's ASC MTG are posted on akna.org. If the GSRS could email their group reports it would be **extremely** beneficial to the minutes.

Blow Out Report for Golden Heart Area service

The Blow out planning committee meets every Monday after the Monday night meeting in the basement of the "Turning Point" counseling center. Plans are coming along nicely with Speakers chosen for both Saturday night & Sunday morning. We've chosen a logo and are working on finalizing T-shirt printing orders now. All our dinner meals are planned but we are still looking for any groups who want to help out to contact us, there are a lot of small things still needed. The camping area is reserved and everything looks on track for an awesome blowout.

Health fair went well. We did not use everyone who volunteered, we gave out lit to about two people per hour. (mostly concerned parents), some health workers.

PO Schmidt for the jail has been gone for the last half of the month and is trying to process our volunteer forms. The woman's meeting needs more volunteers, so please fill out forms (females only) The PO and I spoke of the concerns that non-active members could go into the jail. The list is renewed once a year, the people that are on it now, are active in recovery!

I have only gotten a verbal report on the H&I and PI presentation that Shawn did with Victor Joseph, there were three members there all active in recovery, verbal report sounded good.

We would like to forward a motion for reimbursement from region for the PR budget that has been spent on the health fair. The intent of this motion is to get back the funds \$166 that we spent on health fair, for lit and the donation to the health fair.

(Self supporting).

We would like our budget given to us in cash so we can spend it on the literature. In loving service Robert B.
