

Mandy H Regional Delegate Report October 2019

Dear Trusted Servants:

What your Delegate team has been up to:

NA world Activity: A lot is happening at the world level as we gear up for the conference agenda Report (CAR) & (CAT) to come out in November. Once the CAR comes out the alternate delegate and I will be visiting each area to perform a car Workshop or round table. We also plan to offer these on zoom as well. **RCMS:** We would like to schedule time in January to visit each area before January 23rd To do a CAR workshop or roundtable. We will be offering online CAR workshops via zoom in December.

Zonal Forum 2020 Region 51: We need to book airfare and hotel for the 2020 zonal forum. I have provided some information for the treasure here and have attached the flyer. I am currently asking if another delegate will share a room with me so that our region does not need to purchase two rooms. Thursday, January 23rd, approx. 5 pm to Sunday, January 26th. We will want to fly into McCarran International, Las Vegas. Call the hotel @ 702-492-8900. Mention code "WSZF2020" and get group rates. \$119 per night. **LAST DAY TO MAKE RESERVATIONS: December 15, 2019**

World Board: I learned that Alaska has a representative on the world board who is available to answer questions for the delegate team. His name is Hammed A, and he is from Kuwait. I have talked to him once already.

SPAD: Alaska made our first contribution to a book being written by the fellowship. Kenai hosted a workshop that wrote/submitted for the spiritual principal a day (SPAD) book. This workshop is available if others are interested in participating. You can also visit the website to read and review the draft of the first section.

Workshops: We have successfully provided three workshops in our region this year. Two of which were issue discussion topics (IDT's) and one SPAD. We did a building strong home groups in Fairbanks, carrying the message and making NA attractive in Kenai and we are planning to provide another at the convention called Drug replacement therapy (DRT), and Medication-assisted treatment (MAT) as it relates to NA. The delegate team is available to do workshops. Combing these workshops with something fun happening in your area would be awesome. Let us know when you have something fun planned.

Car survey: Alan and I met online to review the CAR survey and submitted our responses. There is a section about prioritizing literature to be created in the future that I would like to have the **RCM's** and anyone interested opinions on. Let's set up a zoom meeting to look over it. We will look at IP's and SP's proposed and see if you want to add or change anything while we prioritize them.

Information at na.org about topics below that are being discussed

- Proposals to the Fellowship Intellectual property trust (FIPT) <https://www.na.org/?ID=fipt-project>
- Review of the first draft for the SPAD book <https://www.na.org/?ID=medibook>
- Western Service Learning Days (WSLD) is being hosted in Seattle November 8-10 <https://wsld.org/>
- There is a NAW hosted web meeting addressing best practices for online meetings on Saturday 14 September at 10 am Alaska time. <https://na.org/?ID=webinar-main>
- The 2017-2018 NA world service annual report is online for review <https://www.na.org/?ID=ar-2018>

Thank you for allowing me to be of service!

Mandy H

Need responses from the RCM:

1. What weekend in January before the 23rd would your area like to have the car workshop?
2. Are you interested in a zoom meeting to look over future literature projects and prioritize them?
